

2nd Annual Paws 4 A Cure Canine Cancer Walk

The 2nd Annual Paws 4 A Cure Canine Cancer Walk was held on Sunday, May 31st, 2009 at Lake Quannapowitt, Wakefield, MA to benefit the dogs of the Magic Bullet Fund.

I can not thank you enough! With your donations, we have raised over \$11,000 to help the dogs in need of cancer treatment !!! And I am still counting but we have well over 500 stuffed animals for the Huggable Program to send to the pups and kitties that have to stay overnight at the hospital or have outpatient surgery. They will have a cuddly friend to stay with them and to go home with. Thank you so much for your generous donations !!

I am in the process of updating the website to add the pictures from the walk. In the meantime, the pictures from the walk are currently on the Paws 4 A Cure facebook page. If you have pictures from the walk, please email them to info@paws4acure.org.

I still have t-shirts available from the walk. If you are interested in purchasing a t-shirt, please click on the Memorial T-Shirt button to the left on the navigation bar.

A special thank you to the Paws 4 A Cure Volunteers !
